Meeting Reports

Host Huddle- Melissa: Host Huddle will be holding their first-ever business meeting on Thursday, May 21, 2026. It will be held during the last 15 minutes of the Host Huddle Meeting, and they will be going over the script to see if it can be made more chairperson-friendly.

Wednesday Night Men's Meeting- Brett: This meeting has great attendance and is steadily growing. The format was changed over a year ago to a step study format, which seemed to aid in the growth of the meeting.

NEW BUSINESS

XPI Calendar- Tom

Tom has been working on a new design for the XPI Website with the goal of making it easier for users to navigate. Please look at the redesigned XPI Website and explore its new features to become familiar with the improvements.

- Tom ran a report looking at January to March of 2026, to compare the number of hits between the “Meetings” and ”XPI Calendar” links. The “Meetings” tab had 4500 uses, compared to 453 uses for the “XPI Calendar" tab.
- A report was run to compare the type of devices used to access the website one year ago compared to the type of devices used today. Last year: 75% Desktop and 25% Mobile devices. Today: 38% Desktop and 60% Mobile (3% Tablet).
- Tom created a pop-up banner announcing the release of the XPI Newsletter, allowing members to sign up. The banner was activated for 5 days, but after receiving feedback activation was reduced to the day of Newsletter release only.
- Published the “New to CPA?” page, writing a script for the video, which will be re-recorded (per feedback received).
- Information from the Resource page was moved to the Home page Resources link.
    - The Member Resources page now directs users to the CPA Website’s Resource page.
- Research and work on a “Search” option for the XPI Website continues.
- Changes made per today’s meeting discussion:
    - XPI Calendar button was moved to the top of the page, center, and animated to bring quicker attention to it and to draw more hits to the calendar.
    - In the Resource box, “Our Stories” was moved to the top, as it is often sought by members. The most used buttons were moved to the top.
- The Website continues to be a work in progress. Tom encourages suggestions and feedback. See the entire Web Report here.

Hosting Procedures - Melissa

- Do returning members need to retake host training after an extended leave?

- Discussion-
    - The reason for having Hosts and Co-hosts is to keep our meetings safe. They need to be knowledgeable about how to navigate in these positions.
    - Many people take the training but then do not host any meetings, and they forget how to do it. Re-taking the training then makes sense.
    - Unless someone is very familiar with who has recently taken the training, this policy would be very difficult to "police."
    - There has been a problem getting people to step up to host and co-host. Would this policy discourage people even further from volunteering?
    - For some people, especially those who host frequently, it would be a time-consuming nuisance to be required to re-take the training. If this is only for those who have had an "extended leave," how do we define what is an extended leave?
    - A policy in place would make it easier for the Host to be discerning about who co-hosts.
- Decision- We will create a policy encouraging members to re-take the Host Training, but it will not be heavily "policed." It will be in place as a guideline to keep meetings safe.

REPORTS/ANNOUNCEMENTS

NOTE: Please send your reports to Shari at this NEW address: secretary.xpi@gmail.com
