REPORTS/ANNOUNCEMENTS

NOTE: Please send your reports to Shari at this NEW address: secretary.xpi@gmail.com

Website - Tom cpaweb12@gmail.com

NEWSLETTER: Jeff submitted the XPI Newsletter Request Form; the process checked out well. There are 18 new subscribers to the Newsletter, all through the form automatically updating the list.

Considering placing the link to register for the Newsletter as a footer on all Web Pages, it is presently a button on the Service Page.

The Marketing Email license has been renewed for another month.

Edits were made to the Meeting Registration Page to reflect the process more accurately.

CALENDAR UPDATES: Changes made to the page layout for the XPI Calendar. There are some display issues with mobile devices that are being worked on.
Different methods have been tried,to display local time zones on the meeting calendar. Some were too complicated, but timeanddate.com tested well. It allows clocks to be created in any time zone, and to display the clocks on the website using HTML.

Zoom - Jeff xpizoom@gmail.com

"All quiet on the Zoom front!" Though there has been some talk about Bots in meetings. They seem to be associated with the Zoom accounts of meeting attendees who may not be aware they have apps (like a notetaking app) enabled when they join new meetings. It seems there is not much that can be done about them at this point in terms of changes to global Zoom settings.

Zoom Workplace Pro for our 2 XPI Zoom accounts, renews on January 28, 2026. Annual: $319.80
