CPA and XPI Separation Update - Carmen xpichairperson@gmail.com

Please read the following at your business meeting and post in chat:

CPA (World Services) is in the process of separating from XPI (Cross Platform Intergroup)

- *this is simply a measure of how large CPA has grown over the past few years and represents an opportunity to build a structure more like other 12 Step Programs*

XPI provides a comprehensive range of support resources to CPA members and groups:

- *online space for Zoom meetings*
- *website with meeting lists and formats*
- *dedicated technical support ensuring that members can participate smoothly*
- *support for both existing and new meetings*

This separation process provides XPI with an opportunity to evaluate its own resources and structure, and to identify improvements that would better serve the fellowship.

XPI Groups Reps (GR) facilitate the flow of information between XPI and the online meetings. This ensures that all members have a voice and that decisions reflect the needs and interests of the fellowship.

- *please consider becoming an XPI Rep (no experience required)*
- *we look forward to seeing you at the XPI Business Meeting on 3rd Mon of each month*

Changes To Note:

- *XPI Service Meetings are listed at xpintergroup.org/service-meetings, not on CPA's site*
- *to start a new meeting, fill out the form at xpintergroup.org/contact-us*
- *XPI is developing its own Newsletter which will share updates on developments and opportunities within the XPI community*

MOTION PASSED: to have Jes (CPASB) attend XPI Business Meeting for more info and Q & A.

- purpose of committee: to identify and discuss issues facing XPI
- key matters will be brought to XPI business meetings for consideration and voting

Phone Intergroup - Kathy T. cpaphonelist@gmail.com
